

*Live Life on the Move*

## **Why should you choose Orthocare America as your O&P provider?**

Here's why:

- Our Clinicians make HOUSECALLS! Great for those patients who have transportation or mobility issues.
- Our Clinicians have over 30 years combined experience.
- Our Clinicians are all State Licensed and Board Certified from The American Board for Certification in Orthotics, Prosthetics, and Pedorthics.
- Orthocare America responds to customer requests within 24-48 hours.
- Your patients' orthotics and prosthetics are made with the lightest, highest quality materials available such as titanium and carbon fiber to minimize patient energy expenditure.
- We feature the highest quality products from the following manufacturers: Allard, Breg, Donjoy, Ossur, Otto Bock, RCAI and Townsend Design.
- Orthocare America utilizes the G-Walk, by BTS Bioengineering. G-Walk is a mobile gait lab that enables us to objectively measure eight spatial-temporal gait parameters. We are one of the first companies in America and the only one in Ohio to use this ground-breaking evidence based medicine tool to better serve your patients.
